

EXECUTIVE SUMMARY

Motivated and detail-oriented Associate Software Engineer with hands-on experience in software development, testing, and deployment. Adept at working collaboratively with senior engineers to develop and maintain software applications. Skilled in writing clean, efficient, and well-documented code using Java, Spring Boot, React, and MySQL. Experienced in debugging and troubleshooting issues and contributing to design discussions and solution architecture. Eager to learn new technologies and committed to continuous improvement in a collaborative team environment.

SKILLS SUMMARY

- **Languages:** Java, HTML, CSS, JavaScript, SQL
- **Frameworks:** Spring Boot, React
- **cloud:** AWS
- **Testing & QA:** Manual Testing, Regression Testing, Bug Reporting, Test Case Execution
- **Tools & Platforms:** Eclipse, IntelliJ IDEA, VS Code, Excel, Clarification Portals
- **Soft Skills:** Communication, Team Collaboration, Analytical Thinking, Adaptability, Technical Support

EDUCATION

Easwari Engineering College	Chennai, India
Electronic And Instrumentation Engineering; GPA: 8.35	Dec 2021 - Apr 2025
Kalaimagal Viddyalaya Matriculation	Chennai India
HSC; Percentage:87.87%	May 2021
Kalaimagal Viddyalaya Matriculation	Chennai,India
SSC; Percentage:81%	Apr 2019

PROJECTS

Doctor Appointment Booking:	Mar 2025 - Apr 2025
Role: Full Stack Developer	
Technologies: React, Java, Spring Boot, MySQL	
<ul style="list-style-type: none">◦ Developed a responsive full-stack web application enabling users to book, manage, and view doctor appointments using React and Spring Boot.◦ Designed and implemented RESTful APIs in Java using Spring Boot, handling CRUD operations for users, appointments, and authentication flows.◦ Integrated a MySQL database for persistent storage of user and appointment data; designed normalized schema and used JPA/Hibernate for ORM.◦ Ensured seamless frontend-backend communication via Axios for API consumption and state management via React hooks.	
E-Commerce Web Application for Gym Products:	Dec 2024 - Jan 2025
Role: Front-End Developer	
Technologies: HTML, CSS, JavaScript	
<ul style="list-style-type: none">◦ Designed and implemented a responsive UI for an online gym equipment store.◦ Developed features like product listing, user authentication, shopping cart, and payment integration.◦ Ensured a seamless user experience across devices using clean, maintainable code	

INTERNSHIP

GETLDS INTERN	may 2025 - Present
<ul style="list-style-type: none">◦ Built responsive and reusable UI components using Angular, HTML, CSS, and JavaScript, improving the overall user experience and code maintainability.◦ Collaborated on the development of dynamic web pages using data binding, event handling, and Angular services to integrate live data and enhance interactivity.◦ Worked closely with the design team to implement pixel-perfect interfaces using Tailwind CSS, ensuring mobile responsiveness and performance optimization.	

CERTIFICATES

- Full Stack Development – Greens Technologies
- AWS Certified – Greens Technologies
- Software Testing & Automation – Greens Technologies
